The nice thing about being senile is you can hide your own Easter eggs.

Where do you get virgin wool from?

Ugly sheep.

**Your President's Report** — *Gray Waddell*  
Have you looked at the numbers on your house recently? I mean really looked through the eyes of a stranger. Sure, you know where they are and can perhaps even make them out from the road. What about at night or in lousy weather? And what if you are the driver of an ambulance and time is critical? Something to think about – it could be your life at stake.

And while you're at it. Those who live a long way from the road – both vertically and horizontally – how about a mail tube? Help out our long-suffering newsletter volunteers. (Any who installed one already – we love ya!)

Annual General Meeting time coming up (already). Since the last AGM we have recruited three new board members and we

are very pleased with that. However, some of us old timers on the job are looking for a change and we need some new blood. If you feel you have something to offer to your community or you could recommend someone, please let us know. If there is going to be a picnic and/or other events this year they will only happen with help. Contact me or our secretary and get involved. Thanks.

## Here is your official legal notice of the Annual General Meeting

Of Sandy Hook Community Association  
It will be held on Thursday, May 20, 2004 at 7 PM at a place to advised in a newsletter closer to the date.

We just wanted to get this in now so we comply with the Society's Act.

### More Appreciation - Thanks

This came with a cheque for a couple's membership On February 16th: "Hello! Even though we have not been involved in the Association, we very much appreciate all you are doing for this delightful community." and another on the 26th: "Since I've been away a lot, am sending little "extra" along with \$40. for one membership! Thank you for your kind words and the "extra".

**PLEASE GET YOUR MEMBERSHIP INTO US.**
