**Your President's Remarks:-** After a wonderful summer we seem now to be heading into our west coast winter and will soon be saying farewell to those migrating 'snow birds' among us. Remember that while you are away, you can remain connected to Sandy Hook by visiting our website at [www.sebelt.net](http://www.sebelt.net). The rest of us will re-grow the webbing between our toes and begin our annual appreciation of the warmest and most benign winter in our country.

And speaking of our country, it seems we will be heading into a federal election sometime within the next few months, and a civic election on November 19. We are blessed to live in the best country in the world and in one of the most wonderful communities in this country. We encourage each of you to make your voice heard and your vote count in both these opportunities to participate personally in democracy. We're looking forward to seeing each of you at our annual December Meet and Greet at the Art Centre on December 10<sup>th</sup>. *Joan*

**HELP WANTED—PLEASE**

We're looking for newsletter delivery people for our Sandy Hook Road route. Until we have someone volunteer, we may have to leave a supply of newsletters on the bulletin board by the mailboxes for residents to pick up. If you and/or your neighbours would be interested in combining some community service with an invigorating walk every couple of months to deliver the newsletters, Paul Pedlar, the newsletter delivery coordinator would be delighted to hear from you at 885-7680.

Is your membership up to date? Paid your dues? Told us about your new email address?  
Do it all at [www.sechelt.net](http://www.sechelt.net) or email us at [sandyhook@sechelt.net](mailto:sandyhook@sechelt.net) or write us at the address above.
