Your President's Remarks:-

Dear Friends and Neighbours,

As I write this, spring has truly arrived! The sun is shining, the birds are twittering, the flowers are blooming . . . and it's time for our Sandy Hook Community Association Annual General Meeting! We hope that you'll all be able to join us for news of what's happening in our community, for your voice in the election of board members and for important information on the new SilverBack on Porpoise Bay development.

We've also mentioned in this newsletter that we would be interested in hearing from any residents who would be able to help out with short-term projects for the community association, without having to commit to becoming a board member. We have some board members who make very large personal commitments to our community; if you think you could volunteer to ease the workload from time to time we'd love to hear from you.

Looking forward to seeing you at the AGM, *Joan*

Another Important Survey: —As you know periodically your Association conducts a mail out survey. This is so we can better understand any problems and work for you to address them. Enclosed with this news letter is the BEAR Survey. Please carefully read the sheet and please complete the questionnaire. Then return it to us in the provided stamped and addressed envelope. These surveys are not inexpensive so don't let all the paper and stamps go to waste!

Oh! And while you are doing this, mail in your 2006 membership too. That's a good idea!

MARK YOUR CALENDAR

NOMINATION COMMITTEE REPORT

In accordance with the Bylaws of the SHCA the following is the list of those who have agreed to stand for the position of Director for the 2006/2007 Association year:

1. Current Board Members whose terms do not expire until 2007:
Sue Jackel, Bob D'Arcy, Gray Waddell
2. Current Board Members prepared to stand for another term:
Joan Pedlar, Bruce Woodburn
3. Proposed new board members: Peter Harvey (currently serving from mid-year appointment), Mike Sutcliffe

Additional names may be placed in nomination no fewer than 5 days prior to the AGM. Please contact a current board member if you wish to be on the board or have someone to recommend.

We always need board members so please consider helping us out. It is fun and easy—no manual labour required!

The board meets about once a month at a member's home usually with a glass of wine or cup of coffee at hand—sometimes cookies—and settle all the pressing issues.

You can do it! Give us a call.

A community of change—Did you know that we have handed out 16 SHCA Welcome Kits in the past 12 months. Call us if you have a new neighbour moving in and we will see they get a kit.
