## IMPORTANT MEETING

# SilverBack

Wednesday, September 13th, 2006

6:30 to 9:00 PM

Sechelt Seniors Centre (Trail and Medusa)

The **SilverBack** proposal is back, with a few changes since June (see [www.sechelt.net](http://www.sechelt.net) for details). We're not sure how these changes affect the overall application, and especially the intent to provide about 1700 units (single family and multi-family, highrise and lowrise, full ownership and partial ownership, rental pool and resort hotel, etc. etc. etc.) -- see the full application on the website; or the newspaper article on Silverback posted on your local bulletin board.

Your community association has joined in with the East Porpoise Bay, Tuwanek and Village associations to form a committee under the Sechelt Community Association Forum ( an umbrella forum for all associations in Sechelt). Your Sandy Hook reps are VP Sue Jackel and former President Bula Hess (she was also on the committee that successful reached resolution on the Terraces project in 1997-1998).

At a recent meeting of Sechelt Council, a delegation from the combined community associations persuaded councillors to slow down the approval process pending more public consultation. That's what the meeting at the Seniors Centre is for -- to get your input and have your questions and concerns put on record. In the meantime, or if you can't attend the public meeting on the 13th, send your questions and comments to Sue Jackel at [suejackel@dcnet.com](mailto:suejackel@dcnet.com).

**Mark your calendar now: Sept. 13, 6:30-9:00 p.m. at the Seniors Centre in Sechelt.**

**Plan to attend, and get your neighbour out too.**

### Sandy Hook Picnic Great Success

Over 70 big and small folks gathered Saturday, July 22nd at Sandy Hook Park for fun and games and super eats. There is no question this event must be repeated next year. Some pictures can be seen on the website but the best picture is in the memories of all who attended.

Our special thanks to donors:

- Doug Anderson of Prudential Realty—\$200
- Claytons for hot dogs.
- The Lions Club for use of the tent and tables (we then gave them a \$50 donation)

AND—THANK YOU to all the hardworking volunteers; your community association board but especially:

- Valerie Nash—the busy organizer
- Tracy Lloyd
- Zella Knutson
- Ken McBride

- Melanie Vallieres

Oh! Thank you Mother Nature too; for a perfect day in Sandy Hook although we may air condition the tent next year!

### Your Association is the Most Active in Sechelt

*Did you know?:*

- Total membership as at July 15th is 119 Sandyhookers
- Our best calculation is that over 45% of all resident homes are represented plus non-residents or summer only folks.
- We have 5 members we mail your newsletter to and one of those is in Washington, DC and sends us a donation each year with their membership.
- We have 19 members who get your newsletter by an email notice since they: live off coast or have a very difficult delivery situation for our volunteers.

- Brent Jorgens
- Julie Towle for advice about past picnics.
- 
- Volunteer Delivery Captain Paul Pedlar keeps track of a team of 6 delivery volunteers to get the newsletter out to all. Thanks Paul and the Team.
