

April 22, 2003 File No.

Mr. Robert D'Arcy

Sandy Hook Community Association

5916 Skookumchuk Road

Sechelt, BC VON 3A0

Dear Mr. D'Arcy:

I am writing in response to your letter of April 17, 2003, which was received at the District office via email. I regret that your Board is disappointed with the way in which the delegation section of the April 8, 2003 Planning, Environment and Economic Development Committee meeting was handled. Speaking on behalf of my Council, I want to assure you no disrespect was intended. The Chair was simply trying to maintain order at the meeting, which is his duty and responsibility.

As requested, your letter has been circulated to all members of our Council, including the Chair of the Committee. As Mayor, in attendance at that Committee meeting, I did not see cause to raise a Point of Order in relation to the way in which the Delegation was handled. In my opinion, all other Councillors at that meeting behaved appropriately.

Yours truly,

DISTRICT OF SECHELT

Cameron Reid,

Mayor
