Mr. R. D'Arcy

President

Sandy Hook Community Association

5916 Skookumchuk Road

Sechelt, BC VON 3A4

Dear Mr. D'Arcy:

File No.6410-20

I am writing to acknowledge the District's receipt of your hand-delivered letter dated January 15, 2003. Your letter has been distributed to Councillors for their information.

I appreciate receiving notice of the Association's concerns in writing. In reading this correspondence, I must advise you that I disagree with statements made within it. Before, during and after the recent local government general election, Sechelt Council has been quite open in our statements that we would be proceeding to follow a process respecting this important community issue. The survey is one of the steps in this process.

Yours truly,

DISTRICT OF SECHELT

Cameron Reid

Mayor
