2	<b>Notice Board</b> <ul style="list-style-type: none"><li>- Ryan is getting a post from Ryder at the same time as above.</li></ul>		Ryan
3	<b>Community Picnic Area Committee</b> <ul style="list-style-type: none"><li>- A contingent went to look at the tree on Peter's lot which is beautiful it would be a shame to miss it.</li><li>- Randy talked to Lyall Seaton (Structural Engineer) who is keen to help design a shelter which, incorporating the above milled wood, could result in a very attractive addition to the neighbourhood.</li><li>- Prior to the meeting, Randy distributed a draft questionnaire to send to residents. Discussion ensued.</li><li>- John Stan provided a more detailed version of the survey intended to a) collect a bit more information as to where residents saw the community growing and b) to encourage a sense of community spirit/health/togetherness.</li></ul> <p>To that end topics such as: how we/they want to see the community come together (special interests, poetry readings, crafts, small music events, whatever) are included.</p> <p>With respect to location, John suggests that Sandy Hook park (boat launch) is a better space for a shelter, not so overlooked/impacted by houses, more space, more parking, shaded, toilets.</p> <p>Much discussion re: size of shelter we are looking at.</p> <ul style="list-style-type: none"><li>- Comparison with sizes of lots showing both actual building sites would help. Tott park is more central, easier accessed by foot, sunny and easy to police if kids end up hanging out.</li></ul>		Randy John

Survey is really important to determine what residents want. Are we talking about a small shelter (2 picnic tables size)? Something larger like Porpoise Bay park (4 or 6 picnic tables), or an actual building?

- Back to survey - John will modify his survey to not be quite so broad ranging but to expand on Randy's draft. He will email the Board in the hopes we can approve it quickly for distribution.

**New  
Business**

**1. DoS draft Road Naming Policy**

- District of Sechelt has invited our comments on their new (draft) Road Naming Policy (sent to board members for review recently)
- Comments (via email) from absent members noted
- This review of an outdated policy has been "kicking around" council for some time now.

**MOTION**

- To approve council's draft policy

WHO?

SOMEONE WILL WRITE THE LETTER?

**2. Annual Report reminder**

- Has been received (6 months early, no rush)

Jacqui

**3. Transportation Choices**

- ... an organization in Gibsons has put out a webinar about bicycle paths. It's a good video which is downloadable.
